Farewell President Barbara Hill

Sweet Briar days came to an end for President Barbara Hill, who went back to the basics family life. Her contributions to Sweet Briar were far-reaching. She paved the way for Sweet Briar to come into the twenty first century.

Beginning her career as a professor of English, she worked to become a Dean, a Provost, and finally came to Sweet Briar to serve as the eighth president of the College. While at Sweet Briar, she "furthered the Honors Program, emphasized and strengthened challenging academics, and worked to put us over the top in our capital campaign," says Ethel Ogden Burwell '58, President of the Alumnae Association. In her six years as president, she also increased admissions' numbers and standards allowing for a higher quality Sweet Briar graduate.

Her dedication to Sweet Briar included her fundraising efforts which resulted in the raising of \$38.5 million for the College. This was the most successful fundraising campaign in Sweet Briar history.

After her departure from Sweet Briar, Barbara Hill plans to relocate to Washington, D.C., and take the position of Senior Fellow with the American Council on Education.

"Dr. Hill said: 'I make this decision with more than a little regret: I have come to love and admire Sweet Briar for her mission, her capable students, her excellent faculty and her devoted alumnae, and her conscientious Board of Directors. Besides helping the College's constituencies develop a pride in being associated with Sweet Briar, I have thoroughly enjoyed the exciting challenge of leading the College through a successful capital campaign. While I look forward to reuniting my family and exploring career options closer to home, I will miss the people and the place that is Sweet Briar.'"

Sweet Briar will miss President Hill and wish her and her family the best of luck in her endeavors.

Habitat for Humanity

The purpose of Sweet Briar College's Campus Chapter of Habitat for Humanity is to educate students on inadequate housing, fundraise, and build houses! The second year for the chapter was successful. It included events such as the Silent Auction and Tent City. The chapter was also fortunate to receive a donation of new tools to use during the building process. Students helped build with the Amherst and Lynchburg Habitat chapters.

Seniors -

Thanks for all of your help and support over the past four years. Your encouragement definitely helped me strive to make the yearbook better each year. Thanks for putting up with all of the phone calls, flyers, and harassment. You are the people who made this book, the staff and I just compiled it.

To "G" and Mary-Margaret - I will forever miss our box lunches together! I'm sure that none of us will forget the many hours of reading resumés and being stressed over deadlines. Needless to say, I'm glad that we shared the experience together. To Laura - I'll miss you in English classes! To Mary - You were a great big sister! To Imo - Thanks for your robe! And to everyone - Good luck and may the memories you have of Sweet Briar always be renewed by opening this book.

HOLLA! HOLLA! To the Class of 1996

*Thanks for everything,
Sarah Betz*

Eileen MacMurtrie

Once you were a little shadow trailing behind all of us. The sparkle in your eyes a constant companion to your smile. With all your heart you did your best and succeeded in every endeavor. Your greatest achievement being the person you have become. Eileen, our precious baby, we are so proud of you!

*Love,
